## PART I

### ADVANCES IN SPINE TECHNOLOGY

- 1 Biomechanics of the Spine 3  
*Kene T. Ugokwe, James J. Lu, and Edward C. Benzel*
- 2 The Lenke Classification System of Adolescent Idiopathic Scoliosis 47  
*Lee M. Breakwell and Lawrence G. Lenke*
- 3 Conservative Management of Thoracolumbar Deformity 69  
*Praveen V. Mummaneni, David H. Walker, and Jeremy N. Ciporen*
- 4 Spinal Biologic 81  
*Wellington K. Hsu and Jeffrey C. Wang*
- 5 Interbody Fixation Options for Spinal Deformity 107  
*Lawrence G. Lenke*
- 6 Image-Guided Spinal Navigation for Scoliosis Surgery 117  
*Iain H. Kalfas*
- 7 Minimally Invasive Approaches to the Cervical Spine 131  
*Nouzhan Sehati, Langston T. Holly, and Kevin T. Foley*
- 8 Thoracoscopy for Anterior Thoracic Spinal Access 141  
*Daniel J. Sucato*
- 9 Minimally Invasive Approaches to the Lumbar Spine 169  
*Maxwell Boakye and Gerald E. Rodts, Jr.*

## PART II

---

### CERVICAL SPINE

---

- 10** Fixation Options for the Cervicothoracic Junction 191  
*Hooman M. Melamed, W. Putnam Wolcott, and J. Patrick Johnson*
- 11** Fixation Options in the Occipitocervical Junction 223  
*Jeremy C. Wang, Praveen V. Mummaneni, and Regis W. Haid, Jr.*
- 12** Basics of Cervical Kyphosis Correction 241  
*Barunashish Brahma and Frank La Marca*
- 13** Multilevel Anterior Cervical Discectomy and Fusion Versus Corpectomy for Cervical Kyphosis 257  
*Todd C. Hankinson, John E. O'Toole, and Michael G. Kaiser*
- 14** Cervical Osteotomy for Cervical Kyphosis: Anterior and Posterior Options 291  
*Praveen V. Mummaneni, Valli P. Mummaneni, and Rick C. Sasso*
- 15** Cervical Ankylosing Spondylitis 307  
*Harel Deutsch and Regis W. Haid, Jr.*
- 16** Cervical Laminoplasty 317  
*Daniel K. Resnick*

## PART III

---

### THORACIC SPINE

---

- 17** Adolescent Idiopathic Scoliosis: Posterior Correction Techniques 333  
*Jack Chen, Justin S. Smith, and Harry L. Shufflebarger*
- 18** Thoracoscopy and Anterior Correction of Adolescent Idiopathic Scoliosis 353  
*Daniel J. Sucato*
- 19** Thoracoscopy for Correction of Adult Thoracic Scoliosis 383  
*George D. Picetti III and Janos P. Ertl*

- 20** Trajectory Techniques of Thoracic Pedicle Screw Fixation: Anatomic Versus Straightforward 401  
*Ronald A. Lehman, Jr., Benjamin K. Potter, and Lawrence G. Lenke*
- 21** Thoracic Smith–Petersen Osteotomy Versus Pedicle Subtraction Osteotomy for Posterior-Only Treatment of Thoracic Kyphosis 409  
*Fernando E. Silva, Keith H. Bridwell, and Lawrence G. Lenke*
- 22** Correction of Posttraumatic Thoracolumbar Junction Kyphotic Deformity 429  
*Timothy R. Kuklo*
- 23** Anterior Minimally Invasive Thoracolumbar Junction Corpectomy for Nontraumatic Deformity 447  
*Richard G. Fessler, Sandi Lam, and Larry T. Khoo*
- 24** Anterior Minimally Invasive Thoracolumbar Discectomy and Corpectomy Techniques 469  
*Rudolph W. Beisse*
- 25** Scheuermann Kyphosis 495  
*Sigurd Berven, Ufuk Talu, and Thomas G. Lowe*
- 26** Posterior-Only Correction of Adult Thoracolumbar Curves 511  
*Rod J. Oskouian, Jr., Charles A. Sansur, and Christopher I. Shaffrey*
- 27** Anterior and Posterior Correction of Thoracic Kyphosis in the Adult 529  
*Russ Nockels, Syed S. Azeem, Norman I. Bamber, Julie E. York, and Yongjung J. Kim*
- 28** Combined Anterior and Posterior Approaches for the Treatment of Thoracolumbar/Lumbar Scoliosis 553  
*R. Shay Bess and Lawrence G. Lenke*

## PART IV

### LUMBOSACRAL SPINE

- 29** Low-Grade Spondylolisthesis 571  
*Muralidhara R. Raju, Scott K. Dhupar, Marc Eichler, and Eric J. Woodard*
- 30** High-Grade Spondylolisthesis 591  
*Angel E. Macagno, Jacob M. Buchowski, Scott J. Luhmann, Kristoff Reid, Lawrence G. Lenke, and Michael F. O'Brien*

- 31** Sacropelvic Fixation Options 647  
*Timothy R. Kuklo and Michael F. O'Brien*
- 32** Surgical Management of Lumbar Degenerative Disease With Multiplanar Deformity 665  
*Stephen L. Ondra and Shaden Marzouk*
- 33** Lumbar Pedicle Subtraction Osteotomy 683  
*Rod J. Oskouian, Jr., Sumon Bhattacharjee, and Christopher I. Shaffrey*
- 34** Lumbar Interbody Support Options: Anterior Lumbar Interbody Fusion, Posterior Lumbar Interbody Fusion, and Transforaminal Lumbar Interbody Fusion 705  
*Praveen V. Mummaneni and Lawrence G. Lenke*
- 35** Mini-Open Posterior Lumbar Interbody Fusion for Deformity 721  
*Y. Raja Rampersaud and Ross D. Gurgo*
- 36** Indications for Extension of Lumbar Instrumentation to the Sacrum 749  
*Ganesh Swamy and Sigurd Berven*
- 37** Anterior and Posterior Lumbosacral Fixation Options 765  
*Robert F. Heary, Sanjeev Kumar, and Karthik H.S. Madhavan*
- 38** Spondyloptosis 789  
*Hossein Elgafy, Andrew T. Dailey, and Jens R. Chapman*
- Index 805
