I ADVANCES IN SPINE TECHNOLOGY

Section Editor: Edward C. Benzel, MD

- 1 **Biomechanics of the Spine**
Kene T. Ugokwe, MD, James J. Lu, MD, and Edward C. Benzel, MD
- 2 **Lenke Classification System**
Lawrence G. Lenke, MD and Lee M. Breakwell, MSc, FRCS
- 3 **Conservative Management of Thoracolumbar Deformity**
Praveen V. Mummaneni, MD, David Walker, MD, and Jeremy Ciporen, MD
- 4 **Spinal Biologics**
Jeffrey C. Wang, MD and Wellington K. Hsu, MD
- 5 **Interbody Fixation Options for Deformity**
Lawrence G. Lenke, MD
- 6 **Image-Guided Spinal Navigation for Scoliosis Surgery**
Iain H. Kalfas, MD
- 7 **Minimally Invasive Approaches to the Cervical Spine**
Langston T. Holly, MD and Kevin Foley, MD
- 8 **Thoracoscopy for Anterior Thoracic Spinal Access**
Daniel J. Sucato, MD, MS
- 9 **Minimally Invasive Approaches to the Lumbar Spine**
Gerald Rodts, MD and Maxwell Boakye, MD

II CERVICAL SPINE

Section Editor: Daniel K. Resnick, MD, MS

- 10 Cervical Thoracic Junction Fixation Options
Hooman Melamed, MD, W. Putnam Wolcott, MD, and J. Patrick Johnson, MD
- 11 Fixation Options in the Occipito–Cervical Junction,
Praveen V. Mummaneni, MD, Regis W. Haid, Jr., MD, and Jeremy C. Wang, MD
- 12 Basics of Kyphotic Correction
Frank La Marca, MD and Barunashish Brahma, MD
- 13 Multilevel Anterior Cervical Discectomy and Fusion Versus
Corpectomy for Cervical Kyphosis
Todd C. Hankinson, MD, John E. O’Toole, MD, and Michael G. Kaiser, MD
- 14 Cervical Osteotomy for Cervical Kyphosis:
Anterior and Posterior Options
Praveen V. Mummaneni, MD, Valli P. Mummaneni, MD, and Rick C. Sasso, MD
- 15 Cervical Ankylosing Spondylitis
Harel Deutsch, MD and Regis W. Haid, Jr., MD
- 16 Cervical Laminoplasty
Daniel K. Resnick, MD, MS

III THORACIC SPINE

Section Editor: Christopher I. Shaffrey, MD

- 17 Adolescent Idiopathic Scoliosis and Posterior Correction
Techniques
Harry Shufflebarger, MD and Jack Chen, MD
- 18 Thoracoscopy and Anterior Correction of Adolescent
Scoliosis
Daniel J. Sucato, MD, MS
- 19 Thoracoscopy for Correction of Adult Thoracic Scoliosis
George D. Picetti III, MD
- 20 Straightforward Versus Anatomic Trajectories for
Thoracic Pedicle Screw Fixation
Ronald A. Lehman, Jr., MD, Benjamin K. Potter, MD, and Lawrence G. Lenke, MD

- 21 Thoracic Pedicle Subtraction Osteotomy Versus Smith–Petersen Osteotomy for Posterior Treatment of Kyphosis, 000
Lawrence G. Lenke, MD and Keith H. Bridwell, MD
- 22 Correction of Posttraumatic Thoracolumbar Junction Kyphotic Deformity
Timothy R. Kuklo, MD
- 23 Anterior Minimally Invasive Thoracolumbar Junction Corpectomies for Nontraumatic Deformity
Richard G. Fessler, MD, PhD and Larry T. Khoo, MD
- 24 Anterior Minimally Invasive Thoracolumbar Junction Corpectomy for Traumatic Deformity
Rudolph W. Beisse, MD
- 25 Treatment of Scheuermann’s Kyphosis
Sigurd Berven, MD
- 26 Posterior Correction of Adult Thoracolumbar Curves
Christopher I. Shaffrey, MD
- 27 Anterior and Posterior Correction of Thoracic Kyphosis in the Adult
Russ Nockels, MD, Syed Azeem, MD, Norm Bamber, MD, PhD, and Julie E. York, MD
- 28 Combined Anterior and Posterior Approaches for Treatment of Thoracic/Thoracolumbar Scoliosis in the Adult
Ivan Cheng, MD and Lawrence G. Lenke, MD

IV LUMBOSACRAL SPINE

Section Editor: Timothy R. Kuklo, MD

- 29 Low Grade Spondylolisthesis
Muralidhara R. Raju, MD, Scott K. Dhupar, MD, Marc Eichler, MD, and Eric J. Woodard, MD
- 30 High Grade Lumbar Spondylolisthesis
Angel Macagno, MD, Scott Luhman, MD, and Michael O’Brien, MD

- 31 Sacropelvic Fixation Options
Timothy R. Kuklo, MD
- 32 Surgical Considerations in the Management of Lumbar Degenerative Disease with Multiplanar Deformity
Stephen L. Ondra, MD and Shaden Marzouk, MD
- 33 Lumbar Pedicle Subtraction Osteotomy
Sumon Bhattacharjee, MD and Christopher I. Shaffrey, MD
- 34 Anterior Lumbar Interbody Support Options: Anterior Lumbar Interbody Fusion, Posterior Lumbar Interbody Fusion, and Transforaminal Lumbar Interbody Fusion
Praveen V. Mummaneni, MD and Lawrence G. Lenke, MD
- 35 Mini-Open Posterior Lumbar Interbody Fusion for Deformity
Raja Rampersaud, MD and Ross D. Gurgo, MBBS
- 36 Indications for Extension of Lumbar Instrumentation into the Sacrum
Sigurd Berven, MD
- 37 Anterior and Posterior Lumbosacral Fixation Options
Robert F. Heary, MD
- 38 Spondyloptosis
Jens R. Chapman, MD
- Index
